

# Are your Products SAFE!

It's a tough world, and your products need to meet stringent Safety & Compliance norms to satisfy the requirements of International Standards.

At Lumetronics, we have been developing, since the last 20 years, some of the best Safety & Compliance Test Equipment you can ever buy. A fact endorsed by our long list of satisfied customers all across the world.

The equipment we develop are used by test laboratories and manufacturers to test such diverse products as:

- Home Appliances / White Goods
- Electrical Accessories
- Automotive Lighting Systems
- Indoor / Outdoor Lighting Systems

Custom designing allows us to modify our equipment to your needs. LUMETRONICS, your ultimate Safety & Compliance Test Equipment resource.
