

Are YOU on this list!

Ever since we made our first test equipment in 1980, our list of customers has grown steadily and loyally. Because they know, when they need top notch Test & Measuring equipment, there's only one company that measures up to the job.

Since 1997, our online presence at www.lumetron.com has helped us to extend our reach globally. Our Web Site now includes a wealth of information such as pictures, descriptions and technical specifications of our products, a Search Engine, Links, Downloads, and lots more. We have used the Internet to reach out globally. In Australia, Germany, Hong Kong, the Middle East - and other parts of the world, our customers are finding out how it makes sense to buy world-class Test Equipment at down to earth prices.

We would be honored to have you too, on this list. Come, check us out and see why we believe strongly that:

GOOD
is not
GOOD
where
BETTER
is expected
